### **KPMG Question on Notice No. 8**

#### ***Question:***

**Senator O'NEILL:** Thank you very much. Have you pitched for the CPS 220 work for either the NAB or Westpac?

**Mr Yates:** I don't know the answer to that. I'm sorry.

**Senator O'NEILL:** Can you take it on notice.

**Mr Yates:** We can take that question on notice, yes.

#### ***Response:***

KPMG participated in the competitive tender process to provide CPS 220 services to NAB and Westpac and was not engaged to provide those services. KPMG does not audit either entity.
