Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a employee, working as a nurse, currently earning around 36.00 per hour.

family.mortgage.

If penalty rates were abolished.I wouldn't be able to afford a mortgage.

My weekends are important to me because.when I don't work them I catch up with family and friends.

I urge the committee to keep penalty rates.
