Plan			
	Research potential suppliers and anticipated whole of life costs	The Indigenous Procurement Policy (IPP) "mandatory set aside" applies when the value of your procurement is estimated to be above \$80,000 but below \$200,000.	
		If you estimate your procurement is in this range, you must check whether an Indigenous Small to Medium Enterprise (SME) can deliver the goods or services on a value for money (VFM) basis before approaching the market.	
	Identify your approach to market method (such as which panel to use)	Contact Corporate Procurement for assistance.
