

2 September 2019

Joint Standing Committee on Electoral Matters
PO Box 6021
Parliament House
Canberra ACT 2600

Dear Senator the Hon James McGrath,

Thank you for the invitation to make a submission regarding the inquiry into the 2019 Federal Election.

It is my view that opening the polls three weeks in advance is too early. They should instead be opened one week earlier locally and three weeks earlier for Central Business Districts and airports.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely,

Tim Wilson MP
Federal Liberal Member for Goldstein
