Subject: Submission: Offshore wind industry consultation

Dear Committee Secretariat,

I'm writing to lodge a submission to the Senate Committee Inquiry into the offshore wind industry consultation.

My concern relates to Part (a) of the Terms of Reference, being the efficacy of community engagement and benefit in planning, developing and operating the offshore wind industry.

For the Inquiry to fully appreciate the failings of the consultation and community engagement process around the Geographe Bay offshore wind proposal, it is vitally important that the Committee holds a public hearing in Busselton.

Regards,
