On 3 May 2021, in my capacity as Managing Director & Senior Partner, I appeared with other BCG representatives as witnesses before the Environment and Communications References Committee (Committee) in connection with the Australia Post inquiry. - 1. What are the differences between the 'Draft' report contained in the BCG briefing to Australia Post on 20 February 2020 and the final that was handed to government the following day, on 21 February? If any changes were made, please specify?**

BCG did not provide a Draft Report to the Board of Australia Post as part of the briefing on 20 February 2020. BCG delivered its Report to Shareholder Departments on 21 February 2020.
