Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am an Enrolled Nurse working at a public Hospital, living with my wife, is an Endorsed Enrolled nurse at a palliative, rehabilitation facility, renting a house .My son and his wife live with us and they work in retail , trying to save for a deposit to buy a house , they work a lot of extra hours to get the money. The rising cost of living is making it very hard for all of us with our debt and car loans etc , in losing penalty rates of any level will mean complete financial chaos for all of us.
