Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a permanent employee, working as a liney, currently earning around 30 per hour.

father of 3 with home loan

If penalty rates were abolished... i need over time to live well, i dont sit on my in
board meetings, and live off tax payers , live in aus? act like it.

My weekends are important to me because...my kids love me to play with them

I urge the committee to keep penalty rates.so we are not like other poor countries in
the world, also a lot of bussinesses would suffer, i would not work on weekends without
penelty rates
