Dear Committee Members,

Re: The impact of native vegetation laws & legislated green house gas abatement & Climate Change Measures on landholders.

These so-called laws, acts or regulations are & will destroy us as people of Australia.

Destroys: Democracy, Land Ownership, Land Use, Native Flora & Fauna, Families, Businesses, Communities, Jobs, Next generation, Profitability, sustainability, No farmers, no food.

Hitler would be proud of what our past & present GOVERNMENTS (of the last thirty years,) DEPARTMENT OF LANDS, & CMA have achieved with these laws, acts, or regulations. (covenants in particular). Communism, Socialism, Alive & well in Australia.

Land stolen from us, under the pretext of protecting the environment.

Stolen from hard working Australians, this generation & generations into the future.

No handsome financial Compensation given or even contemplated.

They have given us financial stress, physical stress, mental stress, high suicide rate, family destruction, demoralization, High Unemployment, Self destructing infrastructure, (roads, rail, hospitals, education system, etc.) No Doctors, no health system for Australian, the list goes on & on. A Debt We will never be able to conquer.

Sold Australia OUT to Big Business, Overseas Governments.

I appeal to your Morals & sense of a fair go for all Australian.

REPEAL THESE ACTS, LAWS OR REGULATIONS.

DEMOCARCY FOR ALL!!!

Your Sincerely,

Pauline Wilkins.
