Submission to the inquiry into the administration and transparency of the Register of Environmental Organisations and its effectiveness in supporting communities to take practical action to improve the environment.

Thank you for the opportunity to make a submission.

Friends of the Earth has been for years dedicated to the protection of the environment in the most diverse ways and I have been also for many years a great supporter.

Friends of the Earth raises money through tax deductible donations, among them mine. Without the tax deduction the organisation would find it harder to raise money to fund its work.

Friends of the Earth reports to donors abundantly throughout the year about its work

Yours sincerely,
Maria Sola
