SUBMISSION-P21 SENATE INQUIRY

Tottenham Central Schools New Canteen Built under the BER Project

Extremely small in size, thus leading to limited internal space.

Work space will be very limited once the drink fridge, 2 fridges and 1 freezer are placed in the canteen.

2.

EXISTING CANTEEN at Tottenham Central School

Existing canteen building including storage, toilet, and large sheltered area for the students.

Existing Canteen with plenty of space and preparation area.
