

**Subject:** ABC Outsourcing

---

I wish to register my objection the increased outsourcing of production of ABC content.

I object because the result is programs like "Crownies", which is the sort of rubbish that is already plentiful on the commercial channels.

I do not want ABC TV to emulate channels 7, 9 and 10. I WANT THE ABC TO BE DIFFERENT FROM THEM!!!!!!!!!!!!

ABC TV already tries to directly compete with the commercials with much of its content. I do not want this to increase.
