Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a permanent employee, working as a , currently earning around per hour.

If penalty rates were abolished...

My weekends are important to me because itg allows me to care for my aged parents during the week with impacting on the already stretched services of Aged Care...

I urge the committee to keep penalty rates. Many health works need these funds in order to make ends meet.
