

Explanatory Notes:

In order to maintain confidentiality, sensitive offence counts with a value of 3 or less are displayed as "≤ 3" and are given a value of 2 to calculate totals

Recorded crime statistics are based on data extracted by Victoria police on the 18th day after the reference period, and are subject to movement between releases. For more information about how statistics are compiled, refer to the Explanatory notes on the CSA website.

Please note that statistics relating to victims' Country of Birth are subject to high levels of unknown and missing data. It is recommended that these statistics be used with caution.

Offences presented in the data tables are grouped according to the CSA offence classification. For more information about the types of offences included in each category, refer to the classification on the CSA website.

When reporting CSA data you must attribute the Crime Statistics Agency (or CSA) as the source.

If you wish to obtain a quote or comment in relation to crime statistics from the CSA or Chief Statistician, please email info@crimestatistics.vic.gov.au.

For information or comments regarding Victoria Police operations or initiatives, please contact the Victoria Police media unit via policemedi@police.vic.gov.au.
