Attention: Committee Secretary  
Senate Economics Legislation Committee

The ACTU writes to lodge a submission into the above inquiry.

The ACTU lodged a submission in April 2016 to the Treasury Inquiry into the Superannuation Objective. The matters which are relevant to the current inquiry by the Senate Committee are identical to the issues covered by the Treasury Inquiry and accordingly the ACTU provides its submission to the Treasury Inquiry as its submission to the Inquiry by the Senate Committee.

The ACTU maintains that the issues we referred to in our earlier submission are still pertinent at this time.

The ACTU would be pleased to address the Committee. Please contact [REDACTED] at [REDACTED] for further clarification.

The ACTU has no objection to its submission being made public.

Kind regards,

**Dee De Beauchamps**  
Administration Officer
