

Dear Committee Secretary

Please find below a response to a question taken on notice; correction to testimony; and corrections to Hansard following my appearance before the Senate Committee on 12 October 2020.

Response to question taken on notice:

Total Commonwealth Government funding received by Asialink, at the University of Melbourne, in Financial Year 2019/2020: \$7,026,111.88*

*Explanatory Notes:

1. Australian Government funding to support the Asialink Business Program for the period from July 2019 to June 2020 was \$3.138m.
2. This data was provided as at 16/10/2020 based on currently available financial reporting

Correction to testimony:

Senator Ferravanti-Wells asked whether Asialink was involved with ACETIE, the Australia-China Economic Trade & Investment Expo. I responded that Asialink had been involved with the ACETIE which the Hon. Andrew Robb chaired in 2019. I was subsequently advised that my answer was in error. Asialink did not participate in ACEITE 2019.

Yours sincerely,

Penny
