#### **SPECIFIC QUESTIONS ON NOTICE**

##### **Question 2** (Hansard Proof, Page 9)

**Mr HILL:** I'll just put a quick one on notice. I want a specific list, entity by entity, of those which have not responded to the request to disclose executive remuneration.

**Dr Helgeby:** We'll take that on notice.

**Mr HILL:** Is that list publicly available as yet?

**Dr Helgeby:** No, I don't think so, but I'll take it on notice. Obviously it's publicly available where people have published.
