Select Committee on Adopting Artificial Intelligence (AI)

Gradient Institute response 1 to question from Committee

Author: Bill Simpson-Young (Chief Executive)

Date: 17 June 2024

Please find below additional material in response to a question asked by the Committee at the Senate Hearing.

Committee question

CHAIR: ... I am interested in the timeline for when we were in the top five and when the decline commenced.

Answer

An article published in The Australian on 13 September 2023 provides more detail beyond the answer I gave in the hearing. It can be found at:
