Dear Secretary

Ref: Inquiry into the Migration Amendment (visa capping) Bill 2010

First of all, I would like to thank you that you gave me permission to submit my views. This is a greatness of a democratic country to give its people rights to submit their opinions. "To err is human" and a great country's leaders always ask their people to give suggestions to make sure nothing would go wrong. Nothing should go wrong against their policy of "Fair Go" and humanity.

My name is Jugardwala. I got my Australian Residency couple of years ago. I'm highly disagreeing with this bill because of following reasons:

- This will badly affect our international status.
- This will also affect our international trade.
- This seems to be unfair and politically influenced.
- Our "Fair Go" policy is in danger.
- I am against Selfishness and Egotism.

Many thanks again for giving me authorization to upload my views.

Kind Regards,
Jugardwala Bhogpurwala Jatt
