Treasury Portfolio
Inquiry into the foreign investments proposals
2019 - 2020

Division: Foreign Investment Division
Topic: Inclusion of Water
Reference: Spoken

Question:

Senator McALLISTER: I see. Has it ever been contemplated in previous policy reviews of the foreign investment arrangement? Has the inclusion of water ever been contemplated at other points of review?

Ms Kelley: I think we'd have to take that one on notice.

Answer:

The last public review of the foreign investment framework was completed by the Senate Economics References Committee in 2016. That review did not include references to water entitlements.
