

Subject: Oppose The National Radioactive Waste Management Bill
Date: Thursday, 11 March 2010 3:30:35 PM

11/03/10

Ms Julie Dennett,
Acting Secretary
The Senate
Parliament House
Canberra ACT 2600

Dear Ms Dennett,

I simply wish to say that I oppose The National Radioactive Waste Management Bill because bottom line it gives those in power the right to bully those who are not.

Haven't we had enough of that?

Yours Sincerely

Karen Buick.
