With reference to the draft Hansard:

1. Page 4: Mr Banducci referred to the 'dividend' - he intended to use the term Earnings Per Share (EPS) which is \$1.33.
2. Page 5-6: Mr Banducci referred to the Woolworths Group Annual Report (p.87) in relation to his salary and then provided an approximate figure - we refer the committee again to page 87 of the Annual Report for the precise figure.
3. Page 7: the team discount is 10 per cent once a month (and 5 per cent at all times)
4. Page 27: around 75% of our shareholders are Australian.
