Attachment B – Unclassified Submission

Supplementary submission on the Australian National Audit Office's audit activity within the Australian Secret Intelligence Service for 2022–23

The audit of the financial statements of the Australian Secret Intelligence Service

1. ASIS's functions include obtaining and communicating intelligence about people and organisations; conducting counter intelligence activities; and other activities as directed by the Minister for Foreign Affairs.
2. The Director-General signed the financial statements on 27 November 2023. The ANAO issued an unmodified audit report on ASIS's 2022–23 financial statements on 27 November 2023.
3. There were no significant or moderate audit findings identified in the 2022–23 audit or 2021–22 audits.
