Social Services Legislation Amendment (Cashless Debit Card Trial Expansion) Bill 2018 PAGE 2. The Cashless Debit Card will also make an impact on reducing crime, which has been some over time to stem from, excessive alcohol, drug abuse, gambling etc. from the unenployed who have lots of time on their hands, and also stopping domestic vollance in the home. I think the Cashless Deleit Card is long Overdue, had it been introduced years ago our society would be a safer and wealther place as tax payers money would have been spent wisely. yours Sincerely
