Subject: Spam: Submission to the Inquiry into the National Disability Insurance Scheme Bill 2012
Date: Sunday, 6 January 2013 11:10:32 AM

Please consider this email a formal submission by me to the Senate Standing Committee on Community Affairs Inquiry into the National Disability Insurance Scheme Bill 2012.

The current disability system has many problems that need to be addressed.

The current system is not really a system. Whomever makes the most noise gets the money.

A National approach is needed to give families better funding to make choices in their lives. At present we are at the mercy of the State Governments with very limited funding options.

WE CONSIDER THESE THREE FEATURES WILL HAVE THE BIGGEST COMMUNITY IMPACT

Ensure support and equipment is available when needed.

People with disability family will influence the types of support and services offered

Older parents and families will not have to worry what happens when they can no longer provide support.

THESE ARE THE THREE SUPPORT TYPES WHICH SHOULD BE PROVIDED URGENTLY

Equipment and home/vehicle modifications

Support for families and carers

Flexible in-home/outside home respite

WE SUPPORT THE NDIS BECAUSE IT IS A LONG OVERDUE IMPLEMENTATION URGENTLY REQUIRED FOR THOUSANDS OF PEOPLE ALL ACROSS AUSTRALIA

The main features of the NDIS that will make a difference to the community are:

Ensure support and equipment is available when needed, People with a disability can choose the types of support to use, Older parents and families will not worry what happens when they can no longer provide support

The most important services for the NDIS to provide are:

Equipment and home/vehicle modifications, Support for families and carers, Flexible in-home/outside home respite

I support the introduction of the NDIS.

WE SUPPORT THE NDIS BECAUSE IT IS A LONG OVERDUE IMPLEMENTATION URGENTLY REQUIRED FOR THOUSANDS OF PEOPLE ALL ACROSS AUSTRALIA WITH THE LIST GROWING EVERY DAY.

I agree for my submission to be made public

Regards,

Mr and Mrs Rosemary and James Burn
