Dear Mr Raine,

Re: Super Objective Inquiry – *Further Questions on Notice*

Thank you for the further questions. Our organisation, the Association of Superannuation Funds of Australia (ASFA) has been operating since 1962 as the peak policy, research and advocacy body for Australia's superannuation industry.

ASFA represents the APRA-regulated superannuation industry with over 100 member organisations from corporate, industry, retail and public-sector superannuation funds, as well as service providers from across the superannuation ecosystem.

ASFA produces a publicly available Annual Report detailing our financial arrangements. It is available [here](#).

As the report details, ASFA's revenue comes from a variety of sources through a range of activities including as a Registered Training Organisation, being the leading provider of professional development services for the broad superannuation sector.

Yours sincerely,

Mary Delahunty
CEO
