

QUESTION TAKEN ON NOTICE

Parliamentary Inquiry : 06 November 2017

IMMIGRATION AND BORDER PROTECTION PORTFOLIO

(PIID/012) – Inquiry - Prohibiting items in Immigration Detention- Detainees storing food items in accommodation -

Asked:

Provide the dates and detail of any public issues that have arisen from detainees storing food items in their accommodation in immigration detention and transit facilities by facility, detainee's cohort, food type, and public health issue.

Answer:

No public health issues have arisen as detainees are not permitted to store perishable food items in their rooms.
