Fair Work (Registered Organisations) Amendment (Ensuring Integrity) Bill 2019

HIA refers to its attendance at the Senate Education and Employment Legislation Committee hearing on 12 September regarding the *Fair Work (Registered Organisations) Amendment (Ensuring Integrity) Bill 2019*.

At page 22 of the Hansard the following question was taken on notice:

Senator SHELDON: Do you know if you're comparing apples with apples? The series of issues you and have others raised during this hearing—allegations of breaches of various laws. Are you aware of what your membership breaches of the Occupational Health and Safety Act are?

Ms Brookfield: I'm not in a position to quote the breaches of our members to you. I think, as the previous speaker said, we can take that on notice and come back to you with information. But it's not our organisation's role to track that information.

As noted by Ms Brookfield, it is not HIA's role to track that information, as such HIA is not in a position to provide details regarding breaches, by our members, of the Occupational Health and Safety Act.

Yours sincerely
