Dear Mr Migdalias,

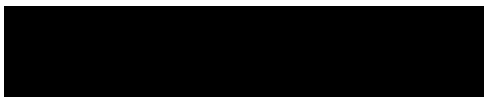

re: corrections to our recent submission

Sustainable Population Australia wishes to correct two minor errors in the submission we sent to the Faunal Extinction Inquiry on 30th August.

These are as follows:

- In the third paragraph, the year 2019 should be 2016
- In the fourth paragraph the second sentence should be removed (as there was no 2019 SoE Report).

Yours sincerely

Hon. Sandra Kanck
Secretary
