**Senator Milne asked:**

Are law enforcement authorities investigating any matters related to the Green Loans Program, or have they done so?

**Answer:**

Victoria Police are investigating allegations of fraudulent misappropriation of funds from a company, which was formerly involved in the Green Loans Program. The Department is supporting the Victoria Police investigation and facilitating liaison with the Australian Federal Police, to determine if Commonwealth legislation has been breached. As this investigation is ongoing, it is inappropriate to provide any further comment at this time.
