Inquiry into The exploitation of general and specialist cleaners working in retail chains for contracting or subcontracting cleaning companies - Hansard (4 September): Letter of Clarification

Dear Stephen,

The purpose of this letter is to clarify an aspect of Woolworths Group Limited' testimony before the Committee on 4 September 2018.

In particular, on p.33 of the Hansard Record we wish to confirm that in response to a question from the Acting Chair regarding 'the situation' with 'Pioneer and Mastercare' that Christian Bennett's response regarding a Federal Court decision was only with reference to "Pioneer Services" and not "Mastercare". This is reinforced by the Acting Chair's next question 'And what about Mastercare?'.

Yours sincerely,

Christian Bennett
