Kathleen

As per your request, after going back through emails, to the best of my knowledge the table below are the consultation meetings that DSS had at IMPACT Community Services.

While the meetings were held at IMPACT they were DSS meetings and therefore some numbers are approximate.

While there were many other consultation meetings in the community, these are the ones that IMPACT was involved in and that I made reference to today.

Date	Meeting/consultation audience	Number in attendance
14 July 2017	Meeting with key stakeholders, community service providers etc	About 15
8th August 2017	Meeting with people that would be affected by introduction of CDC	About 20
20 September 2017	Meeting with IMPACT staff	6
09 November 2017	Meeting with Impact staff	12
09 November 2017	Meeting with people that would be affected by introduction of CDC	8
27 March 2018	Meeting with people that would be affected by introduction of CDC	14
16 May 2018	Meeting with people that would be affected by introduction of CDC	17
19 July 2018	Meeting with people that would be affected by introduction of CDC	12

Should you require any additional information please contact me.

Thanks
