Question No: QoN 009-01
Topic: ASIC Gifts, benefits and hospitality register
Reference: Written
Committee Member: Mr Gorman MP

Question:

Noting the currently available register <https://asic.gov.au/about-asic/what-we-do/how-we-operate/accountability-and-reporting/gifts-benefits-and-hospitality-register/>

Please provide the register for the period before the Government introduced this policy on 18 October 2019. Specifically, the 2017-18 financial year, the 2018-19 financial year and the part of the 2019-20 financial year not already covered in the public register.

Answer:

Please find attached in respect of the period from 1 July 2017 to 17 October 2019:

- the register of gifts, benefits and hospitality valued at \$100 and over accepted by **ASIC staff**; and
- the register of gifts and benefits valued at \$100 and over accepted by **ASIC Commissioners**. Please note that in respect of the period covered by this register, ASIC Commissioners were not required to disclose hospitality in the form of food, beverages and accommodation accepted in the course of their duties. We note that subsequent to the Government's policy introduced on 18 October 2019, ASIC Commissioners are now required to disclose hospitality for the purposes of the publication of ASIC's gifts, benefits and hospitality registers.

We also note that, notwithstanding there was no requirement to disclose hospitality by ASIC Commissioners in the relevant period, there are two entries (voluntarily made) for Commissioner Price which concern hospitality.

In respect of the entry dated 16 July 2018 for Commissioner Price's membership of the Qantas Chairman's lounge, we note that this has also been listed in the register on ASIC's website for the period 18 October 2019 to 31 December 2019:

<https://download.asic.gov.au/media/5800255/asic-commissioners-gift-register-18-october-2019-to-31-december-2019.pdf>. We wish to clarify that the later entry was an inadvertent duplicate, and was made as part of ensuring that all Commissioners' complimentary memberships of airline lounges were publicly disclosed, for the purposes of the initial publication of ASIC's gifts, benefits and hospitality register from 18 October 2019. We note that the value of \$500 ascribed to the initial entry is an estimate, and ASIC later took the approach of recording 'NA' given that it is not possible to estimate the value of hospitality provided as part of complimentary memberships of airline lounges.
