Dear Committee Secretary

Fair Work Amendment (Small Business Penalty Rate Exemption) Bill 2012

I run a small business employing less than twenty full time equivalent employees.

I wish to provide my absolute support for the passage of this Bill through Parliament as my labour costs have blown out since the introduction of the Restaurant Industry Award regulating wages and penalty rates.

If penalty rates were abolished not only would my business be more viable on weekends I would consider employing more casual employees.

Consumers expect restaurants and cafes to trade 24/7 yet this can only be achieved if it is commercially viable to trade through de-regulation of the mandatory penalty rates applied under the Modern Industrial Award system.

Yours faithfully

John Major
Director
