Question

Senator O'NEILL: I asked you whether it was the same staff who reviewed the prospectus who received this correspondence, and your answer, to be clear, was yes—

Mr Longo: Yes, they considered—

Senator O'NEILL: so there is no-one outside the team that's giving it consideration?

Mr Longo: Yes, the team that did the work on the prospectus had the benefit of these letters.

Senator O'NEILL: There is no-one outside of that, observing? Is that process contained within one group?

Mr Longo: Yes, I think that's right.

Senator O'NEILL: How many people are in that group?

Mr Longo: I'll have to take that on notice. Are there three or four in that particular team, Cathie?

Ms Armour: In corporations team there are about 50.

Mr Longo: There are about 50 people in the corporations team, but not all 50 would have worked on this prospectus.
