RE: The Migration Amendment (Visa Capping) Bill 2010

Dear Julie,

First of all, I would like to appreciate this system where we can submit our views. Everyone has different views and we can see their feelings and expressions by these submissions.

Few days ago I came to know about this new bill introduced in the parliament. I came to know that the final decision on this bill will be taken on 11th August 2010. After thinking and reading the statement of this bill, I would say I am not in favour of this bill.

I believe this bill is not just anti-human, not in favour of basic human being values but also against law and justice system of Australia.

Thanks for this opportunity.
