Dear Mr Wallace,

Thank you for your question on notice in relation to our response to the Joint Select Committee on Social Media and Australian Society.

Alcohol Change Australia is an alliance of health and community organisations working together to prevent and reduce alcohol harm among Australian individuals, families, and communities.

Alcohol Change Australia does not have any financial or other commercial relationships with any social media platform, technology platform, gaming platform or similar entity. The only exception to this is payment for our website platform and website maintenance.

If there are any further questions, please contact our Executive Officer, Natalie Stapleton

Yours faithfully

Dr Erin Lalor AM  
Chair, Alcohol Change Australia
