The Counter-Terrorism Strategic Policy Branch in the Department of Home Affairs (the Department) facilitates the process by which the Minister for Home Affairs is satisfied that an organisation meets the threshold for listing or re-listing as a terrorist organisation under the *Criminal Code Act 1995* (the Criminal Code).

This includes obtaining a written Statement of Reasons from the Australian Security Intelligence Organisation (ASIO) that assesses the organisation, and seeking the advice of the Australian Government Solicitor (AGS) in relation to ASIO's assessment. This information and advice is included in a submission to the Minister for Home Affairs to assist in deciding whether an organisation meets the threshold for listing or re-listing under the Criminal Code.
