

Australian Government

Australian Government response to the
House of Representatives Standing Committee on
Industry, Innovation, Science and Resources report:

‘Keep it in the regions: mining and resources industry
support for businesses in regional economies’

[June 2024]

The Government notes recommendations 1-21 made by the Committee in it's report. However, given the passage of time since this report was tabled, a substantive Government response to these recommendations is no longer appropriate.
