Dear Dr McVeigh,

I am writing to offer my support for the proposed works at HMAS Stirling and in Henderson (which is my electorate of Fremantle) for Navy capability infrastructure. The works in question are awaiting Parliamentary approval.

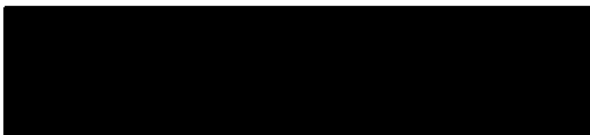

I recently received a detailed briefing from Lieutenant Colonel PG Sims on these works in my electorate and at Fleet Base West (HMAS Stirling).

As you would be aware, the project is anticipated to create considerable employment opportunities within the construction sector and related support sectors around the sites, which would be particularly beneficial to the Southern Perth Metro region.

Following the meeting with Lieutenant Colonel PG Sims, I am confident the projects will bring significant benefits to the Australian Defence Force operations and training capabilities here in Fremantle and Western Australia.

I am very happy to endorse this proposal and provide my full support for the project.

Yours sincerely,

Josh Wilson MP
