

Navitas submission to the Inquiry into the Migration Legislation Amendment (Student Visas) Bill 2012

Navitas submission

Navitas welcomes the opportunity to contribute to the Inquiry into the Migration Legislation Amendment (Student Visas) Bill 2012.

Navitas supports the proposed amendments to the *Migration Act 1958* and the *Education Services for Overseas Students Act 2000* in line with recommendations from the Knight review.

These amendments to managing non-compliance of student visa conditions will allow for greater flexibility when handling breaches of student visa conditions and allow education providers the freedom to personalise their approach on a case-by-case basis.

Navitas would be available to further participate in consultation regarding these matters and looks forward to working with the Government in the implementation of an improved visa compliance framework.
