Dear Sir,

When the Road we're trudging is so uphill + over 106 yrs. this Family have successfully lived + worked this LAND as they saw fit for themselves + future GENERATIONS — Here now, we have 5<sup>th</sup> generation on hand — Three boys just headed off to boarding school. Why, wouldn't we have extreme CONCERN + every need + cause to write this SUBMISSION. When FUNDS are LOW, And DEBTS are HIGH

1. With diminishing land rights. i.e. Being told what we can + cannot do on our Property.
2. The cost, both physical + financially to the landowner.
3. The harmful effects of STRESS, WORRY + frustration caused to the landowner + Family, while told to WAIT - STOP WORK.

They say, "Stick to the FIGHT when you're hardest hit! ETC.

It's when things seem WORST That you must not QUIT.

Waiting for RESULTS - Sincerely, Mrs Josie DATES
