Dear Parliament of Australia,

My name is Ruby Canavan and I am 10 years old.

I live in Melbourne Victoria and I am emailing this because I have loved Orang-Utans since I was a toddler and I am devastated to hear that people are cutting down Orang-Utans habitats for Palm Oil but the thing is people are labeling palm oil as vegetable oil!

Now I know there still around now but what happens in 10-15 years when this labeling is still going on. I would really like you to change this despicable fault and help these poor creatures to live a very long and Happy Life.

Thanking you

Yours Sincerely

Ruby Canavan
