

About Economic Justice Australia

Economic Justice Australia (EJA) is the peak organisation for Community Legal Centres providing specialist advice to people on their social security issues and rights. Our members across Australia have been providing free and independent information, advice, education and representation in social security law for over 30 years. EJA provides expert advice to government on social security reform to make it more effective and accessible.

Submission to Inquiry into the *Administrative Review Tribunal (Miscellaneous Measures) Bill 2024*

1. EJA wishes to commend the proposed changes to the *Student Assistance Act 1973* included in the *Administrative Review Tribunal (Miscellaneous Measures) Bill 2024* (the Bill), specifically to remove the time limit for seeking review of ABSTUDY debts and making the rules for these debts the same as any other social security debt.
2. EJA supports these changes, and recommends they be passed.
