Dear Committee Secretary

Migration Amendment (Complementary Protection and Other Measures) Bill 2015

The Humanitarian Group (formerly CASE for Refugees) is a not-for-profit organisation focused on empowering vulnerable people by providing professional and accessible migration assistance, legal advice and education. We strive to do this in a way that embraces diversity and strengthens communities.

We help people new to Australia from culturally and linguistically diverse backgrounds, including humanitarian visa holders, asylum seekers, refugees and people who are otherwise disadvantaged in their access to legal services.

Our vision is an inclusive community where people new to Australia from disadvantaged and culturally and linguistically diverse backgrounds understand their rights and are treated with equality and dignity.
