

Subject: Stop the ABC Privatisation

URGENT: STOP the ABC's PRIVATISATION by stealth

*Let the inquiry
know :*

I expect the ABC to be a producer of innovative quality programming in all areas. I want:

1. the ABC to be less dependent on outsourced programming
2. the ABC to be funded and rebuilt so that it has strong specialist units to produce high levels of high quality and genuinely local in-house programming in all program genres on radio, TV and online
3. a public broadcaster that is focused on diversity and quality, not ratings

1. David Lyons
2. Beryl and John Leavesley
3. Professor Richard Bates
4. Kerry O'Meara
5. Helen Hoffman
6. Boris and Dawn Merrick
7. Bryan Taylor
8. Raymond Brooks
9. Marion Oke
