

A220 Fact Sheet

As part of the Qantas Group's domestic fleet renewal program, we've ordered 29 new Airbus A220-300 aircraft.

The 137 seat QantasLink A220s are expected to open up new direct Australian domestic and short-haul international routes as more enter the fleet.

The next generation A220s burn less fuel and generate fewer emissions than previous generation aircraft, and are a step up in passenger comfort.

CABIN SPECIFICATIONS

Seating for 137 passengers

10 Business seats
in a 2-2 configuration

127 Economy seats
in a 2-3 configuration

WINGSPAN	LENGTH	HEIGHT	MAX CRUISE SPEED	ENGINES
35.10 metres	38.70 metres	11.50 metres	Mach 0.82	Pratt & Whitney GTF™ (PW1500G)

FUEL SAVINGS

The QantasLink A220 is an efficient aircraft using up to 25 per cent less fuel burn per seat than the Boeing 717s they replace.

FAST AND FREE WI-FI

Customers in both cabins can stay connected through access to fast and free Wi-Fi, and enjoy streaming content to their own device from the improved Qantas Entertainment App.

LONGER RANGE

The A220s have almost double the range of the 717 at over 6,000 kilometres, giving them the ability to fly non-stop between any two destinations in Australia.

LOWER CO₂ EMISSIONS

The reduced fuel consumption means 25 per cent fewer CO₂ emissions per seat, helping bring us closer to our commitment to reach net zero. The A220 provides an up to 50 per cent noise footprint reduction compared with previous generation aircraft and around 40 per cent less nitrogen oxide emissions than industry standards.

INNOVATIVE, MORE SPACIOUS CABIN

The cabin gives a sense of spaciousness and features higher ceilings and large windows letting in more natural light. We've collaborated with industry leader David Caon to maximise passenger comfort, including new materials and colours to make the cabin feel calmer and brighter.

Business Features

- 37" seat pitch | 5" recline
- Wireless charging pad
- 6-way adjustable headrest, calf rest and footrest
- Dual USB A & C charging ports
- Bottle holder
- In arm tray table with a built-in tablet holder
- Extendable cocktail table
- Leather covers

Economy Features

- 30" seat pitch | 18" seat width, wider than the 717
- Customised woven fabric covers with piping
- Extra seat cushioning for greater comfort
- Leather 6-way adjustable headrest
- Dual USB A & C charging ports
- Drop-down tablet holder with anti-slip mat
- Adjustable meal table
