Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a permanent employee, working as a nurse's assistant, currently earning around 19.74 per hour.

I Live with my mother as I can not afford to live on my own

If penalty rates were abolished... it makes paying bills with become harder and no money left for small things no helping my mum out when she needs some extra money

My weekends are important to me because...my weekends not very important to me as i get every second weekend off to do what i want to do

I urge the committee to keep penalty rates.this will help us at our work for staff to work

weekends no penaltys no staff no staff our residents in aged care will miss out on
good care
