

## Industry Skills Council

Our company, Business Skills Victoria is an Industry Training Advisory Body in Victoria. Our industry coverage is Business, Finance and Property Services. Our organisation works very closely with Innovation and Business Skills Australia (IBSA) and Construction and Property Services Industry Skills Council (CPSISC) and, in support of them, on behalf of my Board, I would like to note the following:

- Both IBSA and CPSISC cooperate very well with state bodies via formal and informal arrangements. State networks meet regularly
- They are easy to work with
- They are responsive to industry needs
- Their Boards make every effort to liaise with state bodies on industry issues.
