

ANSWERS TO QUESTIONS ON NOTICE

1. In relation to your request to the government for further resources to investigate corruption:

a. How long did it take for your first request to be approved?

I have not sought further resources to investigate corruption. My first request for additional resources was to allow me to conduct an evaluation of the practices, policies and procedures of the Public Trustee. That request was agreed to almost immediately.

b. Were you given the same level of resources you requested?

Yes

c. When did you lodge the second request for further resources?

My second request related to my investigation of potential serious or systemic maladministration arising from the Oakden Older Persons Mental Health Facility.

I wrote to the Deputy Premier seeking funding on 8 May 2017 and I received confirmation that funding would be provided on 19 May 2017.
